Hello,

Hope this email finds everyone well and in good health!

Our office is continuing with our Operation Bright Spot Program.

Below please find the next round to begin next week on Monday with the sidewalk work to be done by Northeast Graffiti Busters.

Phan and Capt. Villarreal, are we still able to post up temporarily no parking signs even if they are not enforced simply to discourage people from parking there and allow for street sweeping?

Thank you, please don't hesitate to contact me if you have any questions or concerns.
